

WEBSITE PRIVACY POLICY

This Privacy Policy applies to all personal information collected by DJ Johnson & Co PTY LTD (**we, us** or **our**) via the website located at www.danjohnson.au (**Website**).

1. What information do we collect?

The kind of Personal Information that we collect from you will depend on how you use the website. The Personal Information which we collect and hold about you may include:

We collect the following personal information from website users: name, email address, phone number, company name, and any other information voluntarily provided through contact forms or enquiry submissions. For consulting project purposes, we may also collect business-related information such as project requirements, organisational details, and professional contact information necessary to deliver our consulting services.

2. Types of information

The Privacy Act 1998 (Cth) (Privacy Act) defines types of information, including Personal Information and Sensitive Information.

Personal Information means information or an opinion about an identified individual or an individual who is reasonably identifiable:

- (a) whether the information or opinion is true or not; and
- (b) whether the information or opinion is recorded in a material form or not.

If the information does not disclose your identity or enable your identity to be ascertained, it will in most cases not be classified as "Personal Information" and will not be subject to this privacy policy.

Sensitive Information is defined in the Privacy Act as including information or opinion about such things as an individual's racial or ethnic origin, political opinions, membership of a political association, religious or philosophical beliefs, membership of a trade union or other professional body, criminal record or health information.

Sensitive Information will be used by us only:

- (a) for the primary purpose for which it was obtained;
- (b) for a secondary purpose that is directly related to the primary purpose; and
- (c) with your consent or where required or authorised by law.

3. How we collect your Personal Information

- (a) We may collect Personal Information from you whenever you input such information into the Website, related app or provide it to Us in any other way.
- (b) We may also collect cookies from your computer which enable us to tell when you use the Website and also to help customise your Website experience. As a general rule, however, it is not possible to identify you personally from our use of cookies.
- (c) We generally don't collect Sensitive Information, but when we do, we will comply with the preceding paragraph.
- (d) Where reasonable and practicable we collect your Personal Information from you only. However, sometimes we may be given information from a third party, in cases like this we will take steps to make you aware of the information that was provided by a third party.

4. Purpose of collection

- (a) We collect Personal Information to provide you with the best service experience possible on the Website and keep in touch with you about developments in our business.
- (b) We customarily only disclose Personal Information to our service providers who assist us in operating the Website. Your Personal Information may also be exposed from time to time to maintenance and support personnel acting in the normal course of their duties.
- (c) By using our Website, you consent to the receipt of direct marketing material. We will only use your Personal Information for this purpose if we have collected such information direct from you, and if it is material of a type which you would reasonably expect to receive from use. We do not use sensitive Personal Information in direct marketing activity. Our direct marketing material will include a simple means by which you can request not to receive further communications of this nature, such as an unsubscribe button link.

5. Security, Access and correction

- (a) We store your Personal Information in a way that reasonably protects it from unauthorised access, misuse, modification or disclosure. When we no longer require your Personal Information for the purpose for which we obtained it, we will take reasonable steps to destroy and anonymise or de-identify it. Most of the Personal Information that is stored in our client files and records will be kept for a maximum of 7 years to fulfill our record keeping obligations.
- (b) The Australian Privacy Principles:
 - (i) permit you to obtain access to the Personal Information we hold about you in certain circumstances (Australian Privacy Principle 12); and
 - (ii) allow you to correct inaccurate Personal Information subject to certain exceptions (Australian Privacy Principle 13).

- (c) Where you would like to obtain such access, please contact us in writing on the contact details set out at the bottom of this privacy policy.

6. Complaint procedure

If you have a complaint concerning the manner in which we maintain the privacy of your Personal Information, please contact us as on the contact details set out at the bottom of this policy. All complaints will be considered by DJ Johnson and we may seek further information from you to clarify your concerns. If we agree that your complaint is well founded, we will, in consultation with you, take appropriate steps to rectify the problem. If you remain dissatisfied with the outcome, you may refer the matter to the Office of the Australian Information Commissioner.

7. AI Tools Usage

- (a) We may use artificial intelligence (AI) tools and platforms to assist in the delivery of our consulting services and the operation of our Website. Such tools may include, but are not limited to, large language model platforms, AI-assisted drafting tools, and data analysis software.
- (b) Where AI tools are used in the course of service delivery, certain information (including Personal Information) may be processed by or transmitted to those tools. You acknowledge that some AI tools we use may store or process data on servers located outside of Australia, including in jurisdictions that may not have data protection laws equivalent to Australia's. In such cases, we will take reasonable steps consistent with clause 8 of this policy to safeguard your Personal Information.
- (c) We are committed to not inputting Sensitive Information (as defined in clause 2 of this policy) into any AI tool or platform without your express prior consent, unless required or authorised by law.
- (d) Our use of AI tools is conducted in a manner consistent with our obligations under the Australian Privacy Principles as set out in the Privacy Act 1988 (Cth). We take reasonable steps to select AI tools whose data handling practices align with those obligations and to minimise the Personal Information shared with such tools to what is strictly necessary for the relevant purpose.
- (e) If you have any concerns about the use of AI tools in connection with your Personal Information, please contact us using the details set out in clause 10 of this policy.

8. Overseas transfer

Your Personal Information may be transferred overseas or stored overseas for a variety of reasons. It is not possible to identify each and every country to which your Personal Information may be sent. If your Personal Information is sent to a recipient in a country with data protection laws which are at least substantially similar to the Australian Privacy Principles, and where there are mechanisms available to you to enforce protection of your Personal Information under that

overseas law, we will not be liable for a breach of the Australian Privacy Principles if your Personal Information is mishandled in that jurisdiction. If your Personal Information is transferred to a jurisdiction which does not have data protection laws as comprehensive as Australia's, we will take reasonable steps to secure a contractual commitment from the recipient to handle your information in accordance with the Australian Privacy Principles.

9. GDPR

In some circumstances, the European Union General Data Protection Regulation (GDPR) provides additional protection to individuals located in Europe. The fact that you may be located in Europe does not, however, on its own entitle you to protection under the GDPR. Our website does not specifically target customers located in the European Union and we do not monitor the behaviour of individuals in the European Union, and accordingly the GDPR does not apply.

10. How to contact us about privacy

If you have any queries, or if you seek access to your Personal Information, or if you have a complaint about our privacy practices, you can contact us through: privacy@danjohnson.au.
